## **LUND Mania Tournament Regulations**

- Entrants must follow all state-angling and boating regulations. If a tournament official should find that an entrant was fishing in violation of these regulations, that team will be disqualified from the tournament.
- Only Lund boats are eligible to participate in the LUND Mania Tournament.
- The LUND Mania Tournament will follow the C.R.R. (Catch, Record & Release) format.
- Fishing hours are from 7:00 am to 2:00 pm Fri, July 3/09. Contestants will leave by a trickle start. Tournament boundaries are areas accessible by water. Launch locations and parking instructions will be announced during the Thurs. evening Rules Meeting. Tournament Anglers should be at the tournament headquarters at or before 6:00 am, to pick up their Spotters and scorecards. NOTE! Spotters are not allowed to bring GPS units.
- As a C.R.R. based tournament, the weigh-in practice represents that it is the responsibility of the entrants to make sure that their scorecard is turned into the officials by their Spotter, before 2:00 pm. Fri. There will be an official on the water, near the dock and one on the dock! Late arrivals will be penalized 1 lb. per minute, up to five minutes at which time they will lose their entire weight. No scorecards will be accepted after that time.
- An official Lund Judge Ruler will be provided to every team. It is the responsibility of the team to bring a digital camera. Tournament officials will obtain all camera cards during the Rules Meeting on Thurs. evening. The cards will be returned to each team on Fri, morning prior to blast off. All teams must take a validation picture with date on Fri, July 3<sup>rd</sup> prior to blast off.
- Entrants will receive the weight of their 6 largest walleye for prizes. Fish cannot be retained or put in the live well! When a fish is caught, the fish will be placed on the official Judge Ruler by the angler and the Spotter will take two pictures of the fish. The Spotter will confirm the length with the angler, write it on the official scorecard, initial it and have the angler initial it. If there is a discrepancy in length, the Spotter's decision is final. If either initial is not present, the fish will not be counted. (Make sure you and your Spotter initial the official scorecard!) The Angler must release all fish within 60 seconds, after recording length! In the event of a tie, the heaviest fish will be awarded the higher prize.
- Lund Mania officials will convert length to weight.
- It is also mandatory that Anglers and Spotters must be in possession of certified and U.S. Coast Guard approved life PFD's. These will be supplied by the boat Captain, and must be worn at anything over trolling speed. All boats must have an engine kill switch, which must also be used over trolling speed. All contestants must display their boat entry number on their motor. ( port side)
- No cell phones except for emergencies and boats cannot touch each other or pass objects between boats during tournament hours.
- All teams must be off the water and any pre-fishing completed by 4:00 pm Thursday, July 2<sup>nd</sup>.
- Spotters will be drawn for boat placement prior to the tournament at the rules meeting on Thursday July 2<sup>nd</sup> at 7:00 pm at the New York Mills City Hall Ballroom. Anglers and Spotters must attend, as this is the 1st tournament of its kind and there will be questions! Tournament officials will have the right to change Spotter placements at their discretion.
- The safety of the Spotter will be the responsibility of the Anglers of the boat. Please use common sense with reference to weather and water conditions. If dangerous conditions arise, a boat may go to shore until conditions improve. However, no fishing is allowed until back on the water.
- Tournament organizers will endeavor to supply a Spotter for every boat, however if for any reason this cannot be done and something else cannot be worked out, the entrant will receive their entry fee back.
- The intent of the tournament is to promote good angling practices and good sportsmanship. In the event of any disputes by tournament entrants, a final and binding decision will be made by the tournament judge(s) appointed. If you wish to put in protest, it must be done with-in 1 hour of the tournament closing time, and you will need to provide a \$200 cash fee, which will be refunded, only if the judges decide the protest holds up.
- All teams must check in at the dock at the end of the day whether they weigh-in or not.
- The top 10 finishing teams will be notified at weigh-in and will be required to participate in the town parade. The prizes will be awarded at the conclusion of the parade followed by a city street dance.
