

Walleyes for Tomorrow  
P. O. Box 10562  
Green Bay, WI 54307-0562

Dear Fellow Anglers:

Walleyes for Tomorrow was founded in Fond du Lac Wisconsin in 1991 with the goal of improving the Walleye fishery throughout the state. Since that time 15 chapters have been added statewide. Collectively, Walleyes for Tomorrow has funded \$1.9 million dollars in projects in the surrounding region. Projects include creation of spawn habitat, improvement of existing water flow issues into marshes and spawn areas, removal of impediments to allow upriver travel, and portable hatcheries for on site artificial spawn site creation. Many anglers have seen WFT work reap incredible fishing results on Lake Winnebago, the Fox and Wolf Rivers, and Green Bay, among others.

The chapters serving the Bay of Green Bay are currently the Green Bay and Door County chapters. Local projects which have created the incredible fishery of Green Bay and the Fox River include 3 reefs constructed as shoreline extensions in the Fox River downstream from the DePere Dam, reefs constructed at the South Bay Marina (McDonald's Property) and 3 reefs located at Joliet Park on the East Shore of lower Green Bay.

In addition, the Door County chapter's walleye hatchery was responsible for stocking over 4 million frye into Door County waters in Little Sturgeon, and over 50,000 fingerlings which were extended growth release fish in cooperation with WI DNR assistance and cooperation of the Green Bay Great Lakes Sports Fisherman chapter members. Current project funding for this region includes a \$10,000 project to create a reef in the Peshtigo River near the Peshtigo impoundment which will improve down river spawning in that river and allow frye to remain in the impoundment area to improve growth and extended growth survival rates. These extended growth fish "wash out" with late spring rains into the Green Bay waters which will supply the fishery from Dyckesville to Sturgeon Bay and Oconto to Marinette with sustainable reproducing fish in future years. This project will be completed in fall of 2011.

We are having a fund raiser to support these projects coming up on Thursday April 14, 2011 at the Stadium View Banquet Hall and your help is requested. By attending and supporting WFT, you contribute to the continued and future success of WFT programs benefiting this region. Our dinner banquet costs \$45.00 per person and includes membership to WFT, event night prizes and participation in all raffles that evening. Please support WFT with your presence and participate in assisting in improving this areas fishery. Several participation levels are outlined on the following page. We look forward to seeing you there!!

Sincerely,

Dan A. Farah  
Chairman WFT

Dear Walleyes For Tomorrow Members:

It is time to announce our annual fund raising banquet for Green Bay Walleyes For Tomorrow. Our banquet will be held at the STADIUM VIEW on Thursday April 14, 2011. Doors will open at 5:30 with raffles and cash bar followed by dinner at 6:30.

Tickets will be \$45.00 per person. We will again hold a pre-event raffle with "2" winners. First place chooses between a Line Counter Rod/Reel Trolling Combo or \$100.00 Walleye bucks coupons for raffles the night of the banquet.

---
